Private Group Guidelines

Groups must reach a minimum game fee of \$400 before paintballs and have at least 10 players to qualify for a private game. Only admission and gun rentals are counted towards game fees. If your group is short players or your fees do not reach \$400 without paintballs your group may choose to stay private by paying the minimum game fee. Your group can choose to include paintballs by the player. Choose either 500 or 1000 paintballs per person. If you need more than 1000 per person please call for a rate. Please inform us in advance of the quantities your group requires. Our group rates reflect paintball pricing that is lower than normal rates and is not available for individual purchase. So to save the most for your group, order the largest quantities you can with your reservation. Prices quoted are for Field Premium Blaze paintballs. This is to ensure that your group has a great time playing and is not worrying about inferior paintball performance. Should your group require the purchase of other paintballs, please call us for a quote. A deposit of \$150 will establish the game and cover the first 10 players requiring equipment rental. An additional \$15 deposit per player is required to hold more rental equipment. If no additional deposit is collected, only 10 guns will be reserved for the group. It is not required to increase the deposit amount for self equipped players.

Cancellation policy: Deposits are not refundable within 30 days of the game date. They may be applied towards another game or field admission credit. Within 2 weeks of the game date there is a \$75 re-scheduling fee. Cancellations within 24 hours or no shows will forfeit the entire deposit without credit or refund.

Rainy Weather: Fox Paintball operates during rainy weather and does not cancel or close due to rain. If **you** decide to cancel or re-schedule due to rainy weather you will be subject to the re-schedule fee or complete loss of your deposit if you do not show up on your game date.
